People still wander around the Las Vegas Strip wondering where they can get the \$3.99 prime rib they heard about in some late-night rerun. The answer: Try 1987.

These days, it's tough to find a \$5 foot-long at a Subway on the Strip. Las Vegas is not the place to chase bargains that died with Liberace. Vegas is a place where chefs come to make a name for themselves, after they've perfected their chops toiling away in the kitchens of Los ...
