JT shines in Vegas

JUSTIN Timberlake (above) and **Ben Affleck** debuted “Runner Runner” at Planet Hollywood in Las Vegas on Wednesday. The night before, Timberlake had dinner with jeweler **Leor Yerushalmi** — who created an engagement ring for Timberlake’s wife, **Jessica Biel**, as well as the couple’s wedding bands — at **Kumi** Japanese Restaurant at Mandalay Bay. (Word was JT could be ordering some more hardware.) At the premiere were Biel, **Gemma Arterton** and screenwriters **Brian Koppelman** and **David Levien**.
