JESSICA'S POST-BABY DIET PLAN

Just two months after giving birth to Ace, her second child in 13 months, Jessica Simpson, 33, is ready to start losing the baby weight. According to a source close to the star, she's taking her role as a Weight Watchers ambassador very seriously, signing up almost a dozen of her friends for the diet, including BFF and fellow new mom CaCee Cobb, 35. "Every week they come to her house for a meeting and she has her chef make a healthy lunch for everyone," says the source. "Jess doesn't love dieting."

"Jessica's body has been through a lot in the last two years," says a source.
